#### **Announcement of extension of debt facilities**

Further to previous announcements regarding the future funding and capital structure of the Company, the Board is pleased to announce the extension of its debt facilities. The Company's current facilities remain on the same terms as previously announced save that the next review date is now 30 April 2010.

On 8 March 2010 an intention to strengthen the Company's balance sheet by seeking to raise funds through the equity capital markets was announced. This process is progressing and the Board anticipates that another update will be provided during April.
