Planning Update

The Company announces that the planning application for its Bothwell Park factory site in Scotland ("Bothwell") to be converted to a retail site has not been approved by South Lanarkshire Council.

In the Interim Results for the period ended 31 July 2009, released by the Company on 30 September 2009, it stated that the sale of Bothwell would be likely in the latter half of the 2010/11 financial year. The Board now believes that any sale in this time frame is unlikely. The Company is evaluating the decision and taking advice regarding the next steps which may include an appeal or a revised application.
